Experience

Sports Broadcaster / Play-by-Play Announcer

WMUC Sports, University of Maryland

2026-present

Called a University of Maryland field hockey game for WMUC, gaining live collegiate broadcasting experience. Provided play-by-play commentary while developing skills in preparation, game awareness, communication, and delivering clear commentary in a live sports environment.

Part-Time High School Announcer

Freelance

2022-2025

Called high school basketball games primarily to develop broadcasting experience and play-by-play skills. Also announced football and soccer games and attended junior varsity baseball games to practice live commentary. Focused on improving public speaking, game awareness, preparation, and real-time communication.

Summer Camp Counselor

Summer Camp

Summer 2025

Supervised and mentored campers throughout daily activities while maintaining a safe, engaging, and positive environment. Led games, team-building exercises, and outdoor activities while promoting leadership, responsibility, and sportsmanship. Recognized as Rookie of the Year for strong leadership, reliability, and positive impact.

High School Baseball Athlete

High School Baseball Program

2022-2025

Competed as a dedicated member of the high school baseball program while balancing year-round training, practices, games, and academics. Developed discipline, teamwork, resilience, communication, and leadership through competitive play.
